Lieutenant Governor Cox and Mrs. Cox of  
Louis, with their daughter, Mrs. Wheat of  
Louis, are delightfully located at the Cap-  
Hotel for the winter months. Lieutenant  
Governor Cox and his family are much beloved  
Frankfort and they are being given a hearty  
welcome. Mrs. Wheat, as Miss Roberts Cox,  
was one of the most admired and popular  
young women at the Capital City during the  
last session of the Legislature.—Ella Hatchison

Courier-Journal.

## For Constipation A Medicine That Does Not Cost Anything Unless It Gives Satisfactory Relief

If you suffer from constipation in any form  
whatever, acute or chronic, I will guarantee to  
relieve you by the use of my medicine. I honestly believe  
in the effect permanent relief is taken with regu-  
larity and according to directions for a reason-  
able length of time. Should the medicine  
fail to benefit you to your entire satisfaction I  
promise that it shall cost you nothing.

No other remedy can be compared with Rexall  
Orderlies for the easy, pleasant and suc-  
cessful treatment of constipation. The active  
medicinal ingredient of this remedy, which is  
odorless, tasteless and colorless, is an entirely  
new discovery. Combined with other valuable in-  
gredients, it forms a preparation which is in-  
comparable as a perfect bowel regulator, intes-  
tinal invigorator and strengthener. Rexall  
Orderlies are eaten like candy, and are notable  
for their gentle and agreeable action. They  
do not cause griping or any disagreeable  
effect or inconvenience, and may be taken at  
any time, day or night.

I particularly recommend Rexall Orderlies  
for children and for delicate or aged persons,  
because they do not cost anything injuri-  
ous. Unlike other preparations, they do not  
create a habit, but instead they overcome the  
habits acquired through the use of ordinary  
laxatives, cathartics, and harsh physic, and re-  
move the causes of constipation or irregular  
bowel action that are not of surgical variety.

I want you to try Rexall Orderlies at my  
risk. I know of nothing that will do you so  
much good. They are prepared in tablet form  
in two sizes: 36 tablets 25 cents, and 12 ta-  
blets 10 cents. Remember you can obtain Rexall  
Remedies in Maysville only at my store—The  
Rexall Store. Thos. J. Chenoweth.

### NEW YEAR RESOLUTION

Whereas, Everybody likes good bread, biscuit,  
pastry and cake; and  
Whereas, It is well known that "Town Talk"  
flour never fails to produce the best bread,  
biscuit, pastry and cake; therefore, be it  
Resolved, That we will use the famous "Town  
Talk" during the year 1910.  
Will you vote "aye?"

## DARK DAYS and LIGHT NIGHTS!

The "melancholy days" may be here, but,  
thanks to modern illumination, they are more  
than offset by the joyous nights. Darkness  
now is only a setting which brings out more  
strongly by contrast the glories of light. If the  
day gets too gloomy, we turn a switch or pull  
a cord and instantly our office, home or store  
becomes as brilliant as June sunshine. . . .

Maysville, Ky., says:  
"For two years I had pains in my back and  
other troubles, caused by disordered kidneys.  
When Doan's Kidney Pills were brought to my  
attention I began their use and they soon  
brought me relief. I cheerfully endorse this  
remedy as one that lives up to the claims made  
for it."

Farmers are delivering their tobacco every

It is estimated that the tobacco will bring

There were seven sisters in the family, only  
three left. The remains were interred in the  
East Fork Cemetery.

There was too much rye and corn juice used  
about here during the holidays for a dry  
county. Pelagra and the bookworm are not  
to compare with the effects of an over indul-  
gence of blended rot-gut whisky.

Colonel S. G. Billie of Covadale was here  
Saturday to install the officers of Croxton  
Post, G. A. R., but only two were present. It  
was thought the rest had gone fishing, as it  
was a warm day, or had not returned from  
their holiday vacation. It is expected that all  
be present first Saturday in February, as the  
Post desires to make some move to make the  
Twelfth G. A. R. Annual Reunion of Lewis county  
a success, so come out and take part in the  
name of patriotism.

Friday Mr. C. E. Geisel had a narrow es-  
cape from serious injury. He was standing in  
the workroom at A. Clooney's Jewelry es-  
tablishment when a full-size brick came hurt-  
ling through the skylight and barely missed  
striking the gentleman on the top of his head.  
Workmen shoveling snow off the roof were  
the innocent cause of the mishap.

### GAS AND OIL

**Leases Being Taken and Company  
Will be Formed to Tap Nature's  
Reservoirs**

A company has been for some time taking  
leases on lands in this county, looking toward  
boring for oil and gas, of which, by indications  
known to oil experts, there is great promise.  
It is claimed that here is a continuation of  
the great deposits of West Virginia oil and gas.  
It was stated by the agent who was at Wash-  
ington Friday that boring would begin shortly  
and that a surprise might be in store for the  
people.

There is some talk of opening up the well at  
the Washington mill, where gas was struck, it  
will be remembered, a short time since.

The late Judge Davenport of Woodford  
county was the Sunday-school teacher of Mrs.  
Carrie Nation, she being a native of that  
county.

Quite a number of representatives from Les-

here yesterday assisting in the initiation of a  
large class in the local K. of G. Lodge.

The mercury stood at 4 degrees below zero  
this morning in Maysville, the coldest of the  
season. On the hilltop and in many parts of  
Mason county it was 10 degrees below zero.

**Beware of Quackery For Catarrh That  
Contains Mercury.**  
as mercury will surely destroy the sense of smell  
and completely derange the whole system when  
entering it through the mucous surfaces. Such  
articles should never be used except on prescrip-  
tions from reputable physicians, as the damage  
they will do is tenfold to the good you can pos-  
sibly derive from them. Hall's Catarrh Cure, man-  
ufactured by F. J. Cheney & Co., Toledo, O., con-  
tains no mercury, and is taken internally, acting  
directly upon the blood and mucous surfaces of  
the system. In buying Hall's Catarrh Cure be  
sure you get the genuine. It is taken internally,

Saturday and yesterday M. C. Russell Com-

The Illustrated Magazine of Sunday's Cour-  
ier-Journal contains several hunting scenes of  
the Junior Club on its annual trip to its game  
preserve in Lake and Marion counties, Florida.  
In one of the views appears a full size picture  
in hunting garb of Lieutenant Governor W. H.  
Fox of this city, and hanging from a limb of a  
nearby tree is the carcass of a bob cat, a  
trophy of the Lieutenant Governor's mark-  
smanship. What is a bob cat, anyway?

The many relatives and friends in this city  
of Mrs. R. M. Willott of Winchester, O., will  
be pleased to learn that since undergoing a  
surgical operation at the St. Bernard Hospital  
in Chicago last Tuesday, she is getting along  
nicely under careful attention of physicians  
and nurses. She was accompanied to Chicago  
by her husband, Mr. R. M. Willott, who will  
remain with his wife until she is able to re-  
turn to her home in Winchester. When  
taken suddenly ill some two months ago, she  
was on route here to visit relatives. It was  
thought she was suffering from paralysis, but  
when received at the Hospital in diagnosing  
her malady it was revealed that her illness  
was caused by a malignant tumor, and that  
being successfully removed, it is only a ques-  
tion of a few weeks when it is hoped she will  
have regained her former good health.

After reaching a stage of 26.7 the river  
began receding here yesterday evening. The  
ice is thinning out and the packets will likely  
be back in their regular trades by tomorrow.  
The D. T. Lane, harbored here for the past  
week, left for the Kanawha river yesterday  
morning, and the James Moran with a tow of  
of coal passed down. The only loss so far  
reported here was the breaking loose and  
carrying away of McDaniel & Co.'s coal float in  
East End, on which was Huston Hall's gasoline  
launch, "Billikin."

A menacing danger to life and limb of pedestrians are the icicles hanging pendulous from  
eaves of houses that are liable at any moment  
to fall with a crash. Several had narrow  
escapes Saturday from being struck by these  
unseen dangers. During these frosty days it  
will be well perhaps if you are thoughtful and  
careful enough to walk as near the curbing as  
possible, and not in a direct line with eaves of  
houses on which icicles have formed. Neither  
will it be amiss to call attention to the fire  
plugs and have the snow removed so they may  
be easy of access and free from being handi-  
capped in case they should be needed.

### THE MAYSVILLE GIRL

Running a Business Race With the  
"Man From Maysville"

Miss Adele Lee Soulesley, a niece of the late  
John Duley, and a graduate of the Maysville  
High School, Class of '08, left Sunday afternoon  
to accept a responsible position in Detroit,  
Mich.

For several years past Miss Soulesley had been  
in the employ of the Waltham Manufacturing  
Company, Waltham, Mass., and the Manager of  
that concern, appreciating her business quali-  
fications and being now in charge of an im-  
portant department of the immense Packard  
Motor Car Company, wired her to come to  
Detroit and take charge of the Correspondence  
Department of that establishment.

The Packard Manufacturing Company employs 5,900  
skilled people, with a payroll of \$4,000,000  
annually.

Miss Soulesley will have entire charge of the  
correspondence, with 30 Stenographers under  
her direction. The average of letters to be  
answered is 1,000 per day, and each morning  
she will have three to assist in opening and  
distributing the mail by States, with five to  
assist in dispatching the replies at the close of  
the day.

Her salary can only be expressed in four  
pretty good sized figures.

THE LEDGER is glad to note that the Girl  
from Maysville is keeping pace with the Man  
from Maysville; but it wishes that all these  
bright young Men and Women could find like

"If," as the dispatches declare, revenge is to be wreaked on the two score or more of the so-called Republican "insurgents," we regret it and fear that certain leaders are going to be the architects of a deal of future trouble to themselves and the party. It is well to remember as a condition precedent to the welfare and the very existence of the Republican party, that Speaker CANNON has got to go sooner or later, and the "sooner the quicker." It is also well to remember that THEODORE ROOSEVELT will soon return to his native heath and "the return from Elba" is not going to be a common nonpareil event. THEODORE ROOSEVELT is a born "insurgent," and as a successful leader of the young and aggressive members of the party the "insurgents" would prove a foe hard to compromise with, if not unconquerable. Some contests may be delayed, but the irrepressible

conflict is bound to come, and delay, in this peculiar instance, only intensifies the carnage of the combat and the casualties of the battle. The first gun has been fired; now let the two armies line up for the decisive scrimmage which the people expect.

Mrs. HUMPHREY WARD, the noted English authoress, and one of the world's most advanced feminine thinkers, hands out this little bouquet in regard to woman's right to the ballot, etc.:

"Women cannot be soldiers, sailors, Cabinet Ministers, diplomatists, financiers or manufacturers because of their feminine and maternal functions. In the mass of women the knowledge of matters connected with those modes of life—matters vital to the bar; continuance of the Nation as a political entity must be infinitely less than the knowledge possessed by the mass of men. Yet it is proposed to give to women joint control, or even possibly a preponderating control, over the actions of the men who carry on these fundamentally important masculine affairs."

Verily, when a woman speaketh of another woman she getteth all that is coming to her, "and a little bit more."

NO TROUBLE HUNTER.

He—I suppose if I kissed you, you would never speak to me again?  
She—Why do you always look on the dark side of things?

## ANOTHER WOMAN CURED

### By Lydia E. Pinkham's Vegetable Compound

Black Duck, Minn.—"About a year ago I wrote you that I was sick and could not do any of my household work. My sickness was called Retroflexion. When I would sit down I felt as if I could not get up. I took Lydia E. Pinkham's Vegetable Compound and did just as you told me and now I am perfectly cured, and have a big baby boy." — Mrs. ANNA ANDERSON, Box 19, Black Duck, Minn.

Consider This Advice. No woman should submit to a surgical operation, which may mean death, until she has given Lydia E. Pinkham's Vegetable Compound, made exclusively from roots and herbs, a fair trial.

This famous medicine for women has for thirty years proved to be the most valuable tonic and invigorator of the female organism. Women residing in almost every city and town in the United States bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegetable Compound. It cures female ill, and creates radiant, buoyant female health. If you are ill, for your own sake as well as those you love, give it a trial.

Mrs. Pinkham, at Lynn, Mass., invites all sick women to write her for advice. Her advice is free, and always helpful.
